

SECTION 319 NON-FEDERAL MATCH OPTIONS

All projects receiving 319 funds must provide a minimum **forty percent (40%) non-federal match**. "Matching" and "in-kind" contributions refer to that portion of the total project costs **not** borne by the sponsor (DHEC). Match funds may be **cash** or **in-kind contributions** from non-federal sources and must be allowable under Section 319. The contributions must also directly benefit the project. The match must be fully documented/verifiable by the lead organization, must identify the agency/organization(s) providing match and amounts, and must show how the value placed on in-kind contributions were derived. Match contributions using Federal funds are not allowable. Here are some examples of eligible match:

1. **CASH**
2. **IN-KIND CONTRIBUTIONS** (a variety of non-cash contributions)
